Since living in Worcester, for the twenty-second time I am sending my yearly subscription to the Norway Advertiser. No matter what the Editor may say, I open it at once, with many mental questions: who is gone away; who has sold his house or farm; who is married; who has a new automobile; who has changed his house or place; who has added to his family; who has a thunder shower at the same time we did; or did they have the same wind that blew down my nearest neighbor's chimney? I could never find out, and I had nearly given up that fearful fruit, which there is no returning?

All this is of great interest to me, and if one paper fails to arrive, as did on April 26, I feel as if I have been wronged. I do not know all the people mentioned in these items, I read them all and compare them with passing events in Worcester; only in the city, unlike the country, no one cares who you do, and takes any interest in your affairs. If you are sick in the city, and belong to any lodge or society, a committee will call on you bringing a bouquet of flowers and say they have voted to give you no more than a specified sum. They are "very sorry," and hope you will be "better soon." In the country, they say they have come to help you, for they want you to stay. They carry cards and flowers are more likely to be bread and pies and they ask after your fires and ask if you need anything from the store, and say "well, if you want us, let us hear from you and we will come." In the city, if you are depressed for help, the district nurse, who is paid by the city, will come in.

Just now, everything is as usual, though the people trees are in full bloom, the lilacs are also waving their purple and white blossoms and the gardens are bright with many flowers, violets, tulips, forgetwits, lilacs, and such like.

The neighborhood happenings are similar to those in Oxford Co. Maine. Mrs. Belle Harris went to Bridgton, Me. with her cousin, Mrs. Myrtle McMan, and returning in a wagon brought a very pleasant report of her visit among the sea-birds, and she gave the compliment that she never saw anything like the barns and the wonderful cottages. You can raise horses and learn to do hard work and the wonderful delicatessen. I want to see an automobile ride with Mrs. Geo. H. Bliss, who many of you know, of the Boston Edison. She is recovering from a severe attack of bronchitis. She told me of the little stranger, who arrived at Dr. William Holt's, (Portland) on April 10,

Eisenbraut, has a new radio, which I enjoy sufficiently to let my own acquaintance, Mr. and Mrs. Nichols have given to the Congregational Church, for the order their summer cottage by the sea, which is eagerly sought by vacationists until September. Mr. General Vandergent, beloved G. A. R. man died last week, aged 87. That was a very great age for one, and very rapidly. Reading these few items you who read will see that we are all like one family—the same cares and the same vocations—only diversified. Memorial Day has come home to us yet more. Before its adoption as a national observance, Luella Caldwell, long mayor in North Waterford remember best, and I went every year to carry flowers to the little cemetery where were placed four graves of Civil War soldiers, Daniel Kilbourne, Capt. Moses W. Rand, Calvin Horr and Daniel Smith. Luella was engaged to Dr. Sumner Horr. She was to have been my first, but he died in 1870 and was buried in Florida. This she did in memory of her lover, till she died in 1870. I will close with the words of the modern novelist: "To be continued in our next."

Watch your tongue for signs of illness. Your tongue is nothing more than the upper end of your stomach and intestines. It is the first thing your doctor looks at. It tells at a glance the condition of your digestive system—and physicians say that 90 per cent of all sicknesses start with stomach and bowel trouble.

A white or yellowish coating on your tongue is a danger signal of those digestive disorders. It tells you why the least exertion tires you out, why you have pains in the bowels, gas, sour stomach, dizzy spells.

And it's a sign you need Tanlac. This good old reliable medicine has helped thousands who were physically weak. See how the first bottle helps you.

Tanlac contains no mineral drugs; it is made of herbs, roots—nature's own medicines for the sick. Get a bottle from your druggist today. Your money back if it doesn't help you.

Look at your TONGUE every morning!

STUDEBAKER

WORLD'S LARGEST BUILDER OF EIGHTS

announces another thrifty Eight of champion quality

The Dictator Eight

ONE HUNDRED AND FIFTEEN (115) INCH WHEELBASE

\$1185 at the factory

STUDEBAKER'S New Dictator Eight is precisely what you would expect of the Builder of Champions. The finest expression of modern motoring—a straight eight by Studebaker! Companion car to the World Champion President and the famous Commander. Champion quality at a low One-Profitee price—possible only because Studebaker builds more eight-cylinder cars than any other maker in the world.

The New Dictator Eight is a motor car of almost breath-taking beauty—gracefully low swung on the famous Studebaker double-drop frame, its color harmonies striking and distinctive, its exterior brightwork in lasting, glistening chromium.

In economy of fuel and oil this new eight rivals the thriftiest sixes. Performance is measurably more satisfying than any other car at its price has ever provided.

This New Dictator Eight was developed on Studebaker's Million-Dollar Proving Ground, by the same brilliant group of engineers whose genius and research have en-

dowed Studebaker cars with the ability to win and hold every official stock car speed and endurance record.

You who have always wanted a straight eight (and who has not?)—may now enjoy the silken smoothness of Studebaker straight eight power, the unhesitating traffic mastery of it, the flexibility and pick-up which it gives you. The economy of operation upon which you have insisted will be yours, along with low initial cost.

Supporting your judgment, is the overwhelming choice of straight eight power by the greatest engineering minds of Europe and

America. And back of it all, a bulwark of security, stands Studebaker, for 77 years world-known for manufacturing integrity.

The New Dictator Straight Eight offers you champion performance at a One-Profitee price utterly without parallel in motor history. Come in and see it—drive it—today!

Memorial Day was observed in the usual manner. A delegation from Mechanics Falls, two members of the G. A. R., Comrades Millett and Mason, a good number of Sons of Veterans, World War veterans and Boy Scouts conducted the Memorial service in the cemetery. Exercises in the church consisted of prayer by Rev. A. E. Kingsley, selections by choir and a strong address by Prof. H. L. Newman of Colby College. Mr. Newman was a former pastor of the Hebron church.

Visitors in town Memorial Day were Mr. and Mrs. M. Richardson, Albert Richardson, Miss Berry. Exercises in the church were held by Mrs. L. G. Joslyn and family of Portland, Mr. and Mrs. George Hollis and son of South Paris.

Turkeys are not so domesticated as chickens and often lay their eggs in secluded spots. Hidden nests can be found by combing the turkey hens early in the morning after they come from the coops and letting them out late in the afternoon, when they will make straight for their nests. Sometimes turkeys will take to nests made for them out of boxes or barrels.

Too often in life do we see the efforts of others go unnoticed and especially do we see this in the lives of our public school.

We are prone to take too much for granted from our school teachers and when we see the effects of our local teachers' training as we sit in the Mother Goose school, we are reminded of the Grange Hall here on the evening of June 7th, we feel that much appreciation and praise is due our teachers from the parents and the public.

It is evident that our teachers spent many hours of careful training with our little ones in order to fit them to take their parts so splendidly and especially is much credit due Miss Bryant and Miss Lewis for the way each child handled their part and Miss Lowe as Mother Goose proved a painstaking and dependable old lady and a dutiful and efficient teacher.

Evamath Fuller as the fat woman, Rachel Forbes as the slim woman, Elden Hathaway as the deaf man, and Warren Tyler as the nervous man, was well selected for the roles.

The twenty-five little ones lined up to represent the alphabet, all with bright, smiling faces, was a pretty sight.

Musie was furnished by Mr. and Mrs. Roscoe Doughty and Ellis Davis. Games and dancing were enjoyed.

While we see much of interest in our younger generation, we are not unmindful of the fact that we have some worthy of mention in the older generation as Mrs. Bowker, 96; Gilman Whitman, 92; Mrs. Rowe, 92, and we begin to think that Woodstock is a healthy town to live in.

Benjamin Billings has sold the house he bought of Mr. Ordway to Charles Keith.

Rupert Farnum and Clifford Taylor took a trip to Oakland last Saturday.

Glendine Ford of Mechanic Falls was a visitor of her aunt, Mrs. Lester Johnson, a few days.

Hugh Farnum has finished work for Gerald Benson of West Paris, and is now working in Stowell's Mill.

Ralph Dean of West Paris has leased the garage of Ernest LeBlanc here. Mr. Dean runs the garage at Trap Corner, West Paris.

Mr. and Mrs. Malcolm O. Willis and two sons, of Bangor, are visiting at Harry Howe's and Herbert Ring's and calling on other friends. Mr. Willis was a teacher in the High School here at one time.

Gertrude and Edwin Mann of West Paris visited Mr. and Mrs. Suno Mann, from Friday night until Sunday night.

Edward Barnham of West Paris, visited his parents, Mr. and Mrs. Abner Mann, over the weekend.

The K. of P. Memorial service was held Sunday afternoon at the Baptist church. Rev. Charles D. McKensie of Turin Hill, delivered the sermon.

The E. of P. and sisterhood went in a body to the cemetery for burial, Saturday.

Friday evening, a Sons of Veterans' Camp was formed at Bryant Pond. There were members from several camps and daughters of Veterans' Camps were also present. A supper was served at the Grange dining hall. There was a large attendance.

Reception Given to Superintendent

The Parent-Teachers' Association of Woodstock tendered Supt. Alden B. Hayes and wife a delightful reception, Tuesday evening, June 11th, at the Grange Hall.

In the receiving line were noticed Mr. and Mrs. Alden Chase, Principal Floyd Bedman, Miss Hester M. Ordway, Miss Thelma O. Daniels, Alden B. Hayes, Mrs. Thelma B. Hayes, Gertrude Mann, Lillian Hayes, Lottie Bryant, Hilda Ring, Dorothea Billings, Mary Hendrickson, Everett Cole. The ushers included the four members of the senior class, Inez H. Myra Thurlow, Howard Emery, Donald DeShon.

Those that presided at the punch table were the Misses Ruth Lord and Beatrice Andrews.

Miss Lottie Bryant in a very impressive manner presented Mr. Hayes in behalf of the teachers of Woodstock, a Sheaffer jet and mother-of-pearl fountain pen and a box of cigars. He was also presented by Mr. Chase in behalf of his friends, a Sheaffer pencil like the pen. At this time Mrs. Hayes was remembered by a beautiful bouquet of pink roses.

A short, but delightful program consisted of vocal solo and encore by Alden Chase, musical selection by orchestra and a few readings by Mr. Chase.

Dancing was enjoyed until a late hour, music being furnished by Shem's orchestra from West Paris.

Good credit to the success of the affair is due to the committee which consisted of Bessie Billings, Mrs. Chase, Lester Bryant and Clarence Perham.

Mr. Hayes has served as superintendent in the Woodstock schools for the past seven years. During this time he has

been a very conscientious and efficient worker for the benefit of the schools. It was with much regret that his friends learned of his resignation. And the best wishes of a host of friends follow him.

You Get Dependability on the Belt Jobs, Too!

John Deere Farm Tractor

Now is the time when you want a dependable and economical tractor for your belt-work jobs.

Threshing, baling, grinding feed, shelling, filling silo, sawing wood, doing these are some of the important jobs that you'll do more economically with the John Deere.

With a John Deere on the power end of the belt you are assured of ample, smooth-running power to handle them all. No matter how sudden or how heavy the demand thrown upon it, the sensitive governor responds instantly to the power load.

There's no loss of power between the engine and the belt on the John Deere. Belt pulley is mounted on the crankshaft, where it delivers every available ounce of engine power to the belt.

Pulley is on the right side of the tractor in plain view of the operator running in the right direction for a crossed belt.

Of simple, sturdy construction—with fewer wearing parts—the John Deere Tractor stands supreme for economical power at belt, drawbar, or power take-off.

Ask us to show you this powerful John Deere Tractor.

KEZAR FALLS

Graduation Exercises—Attending Exercises at U. of M.—Mrs. Carpenter in Boston.

Graduation from Porter High school is an important event in the annals of Kezar Falls and one which illustrates the truth of the proverb "History repeats itself". For many years each class which precedes a previous year, transmits in distinctive merit and ability all which has been accomplished before, and has become a foregone conclusion. The whole village seemed alive with interest and enthusiasm and smiling faces gave an added beauty to the landscape, the weather, too, was propitious and the village at large, as members of one family with a loving interest in the culmination of the great event. The prize reading of the class of 1930 was given in the Town Hall on the evening of June 4th, with the following program and much enjoyed:

Music: "America, My America" by Emma Evelyn Giles. "The White Ship and the Red" by Joyce Kilmer. "The Swan Song" by Katherine R. Brooks. "The Seal of the Yukon" by Robert W. Service. "The Seal of the Yukon" by Robert W. Service. "The Seal of the Yukon" by Robert W. Service.

Not all the interest in graduation centered in Kezar Falls. Mr. and Mrs. Elliott and their son, George, went to the University of Maine to see Herbert Elliott graduate.

Mr. and Mrs. Walter Ridlon with their children, Joseph and Esther, also their

son, Hilton, who has a position in Virginia, and is here for a two weeks' vacation with a party of friends, are in Orono attending the graduation of another son, Emory.

Mr. and Mrs. Myron Ridlon have gone to Haverhill, Mass., where their daughter, Eleanor, graduates from Bradford Academy.

Mrs. Walter Carpenter has gone to Boston to attend the Boston Biennial of Federated Music Clubs.

Moses Stacy, who has been confined to his bed for many years, passed away on the night of June 10th.

DENMARK

Denmark Inn Burned—Mrs. True Returned from Naples—Pingree Has New Truck—Portland Visitors.

The Denmark Inn and the rooming house burned Friday night about 12:30. The Bridgton fire department arrived just in time to save the home of Mr. and Mrs. Fred Sanborn. The Fryeburg and Standish fire trucks came also. It was thought to have caught around the boiler. But very little furniture was saved, nothing else. The two town girls, Bessie Hale and Edna Smith, who were working there, lost practically everything.

Rev. C. V. Cross of Lovell preached the baccalaureate sermon, Sunday evening on "Hidden Powers". The girls of the three schools sang an anthem.

The ladies of the church hung the draperies, upholstered the chairs and laid the rubber runners, so it looked nice for the baccalaureate.

Mrs. Frances Hill of Boston is visiting her mother-in-law, Mrs. Belcher.

Mrs. Edie True returned home, Sunday, from Naples for the summer. Her daughter, Mrs. May Stanley, is visiting her for a week.

Charles Pingree has a new Chevrolet truck.

Miss Hazel Wentworth came home for the week end.

Among the Portland visitors, Saturday, were: Violet and Margaret Mitchell,

George Wentworth, Hazel Wentworth, Nellie Perry, Florence Sanborn, Jennie True and two children, Emily and Hazel Ingalls.

The primary school went on a picnic, Wednesday.

Mrs. Sanborn had an entertainment Thursday evening at the schoolhouse.

There is one graduate, Albert Meserve. The primary and grammar schools closed for the summer vacation.

Mrs. Hunt has been ill.

There will be no Friday night dance this week, because of the graduation ball.

Francis Smith is back at the Eye and Ear Infirmary to have his tonsils removed.

Miss Altschul is here.

Alice Bradley is renowned throughout the country as an authority on the etiquette of entertaining and on cooking. She is Cooking Editor of the Woman's Home Companion and Principal of Miss Farmer's School of Cookery in Boston.

Follow the weekly fashions in ice cream in the new FRO-JOY 2-FLAVOR PINT PACKAGE by ALICE BRADLEY

SMART hostesses today show their cleverness at entertaining by the ice cream they serve at bridge parties, dinners, luncheons and for daily family desserts! You can show yourself triumphantly modern by serving the new Fro-joy 2-flavor pint package.

A new flavor combination is selected by Alice Bradley each week—two unusual flavors, fascinating flavors, piquant in taste, delightful in colors, wedded in a single Fro-joy package. How guests and family cheer such luscious refreshment!

And each week's package brings a new leaflet written by this famous food and entertaining expert. It is full

of tips and pointers for charming entertaining—menus, ideas for refreshments, suggestions of all sorts.

Serve the new Fro-joy 2-flavor pint package to your family often—every day is not too often. It's a health-food, an energy-food—you'll find pure ice cream such as Fro-joy on the training tables of famous athletes everywhere. And packaged Fro-joy is ice cream at its purest—reaching a new high pinnacle among all ice creams, wherever you buy them or whatever you pay. Every step of mixing and freezing is scientifically perfect—each package is wrapped three times and sealed! And each package is "Chock-full of Youth Units"—which build strength, vitality—YOUTH itself.

THIS WEEK

THE NEW FRO-JOY 2-FLAVOR PINT PACKAGE CONTAINS

STRAWBERRY & ORANGE PINEAPPLE

"This is one of our most popular ice cream combinations. Both in color and flavor these three fruits each enhance the delicious qualities of the other. Try serving each slice with a strawberry sauce."

—ALICE BRADLEY

And Fro-joy is always available in pint packages in vanilla or chocolate or in both combined, and in Neapolitan, which has vanilla, chocolate and strawberry. A constant favorite is vanilla, served with berries, hot or cold chocolate sauce, sliced fruits.

"Youth Units"—What Marvelous Good Fortune—

"Youth Units" are food elements that, when eaten regularly, have the amazing power to rebuild and rejuvenate living cells. Only foods which contain the essential vitamins and the vital mineral salts—soluble iron, calcium and phosphorus—are capable of keeping cells young. Many people age prematurely, because their diets do not include a sufficient amount of these cell-rejuvenating "Youth Units."

The richest of all foods in "Youth Units" is milk—except for pure ice cream, such as Fro-joy. And the new Fro-joy 2-flavor pint package contains three times as many "Youth Units" as a pint of milk!

SIDE ROADS

Warm weather brings out the pleasure drivers. Spring and summer puts new life into motoring, as into nearly everything else.

"But what's the use?" laments many motorists. "The roads just get so jammed, there's no fun in it any more."

The main roads do, to be sure. But what's the matter with the side-roads? Why travel always with the crowd, in a hot, smoky, smelly procession? Take the country road that is traversable in good weather. Along such highways there are likely to be found far more enjoyable scenery and better picnic grounds.
